

# Plan B - Transitions (in case we can't cross the river)

Transition 1: (from leg 1 to leg 2, plus also the finish for One Peak Explorer entrants). From Havelock North, head SW along Middle Road. Drive past Crystall Road and Mutiny Road - and immediately take a left in to a signposted paddock. This is at the base of Mt Erin. Is approx a 10 mins drive from Havelock

Transition 2: (from leg 2 to leg 3). From Havelock North, head E along Te Mata Road. At the major intersection take a right on to Waimarama Rd. Travel along here for a few minutes, past the base of Te Mata Peak. Then before crossing the bridge - take a right along Matangi Rd. The transition is approx 3 kms along here on your right. Park along the road.
